

Classroom, Lunch and Recess Details

In the Classroom and Surrounding Pod Areas:

1. Each classroom will be thoroughly cleaned prior to the student's arrival.
2. Classroom teachers will be given access to approved cleaning products to clean surfaces throughout the day.
3. Students will have a strict routine of washing hands after every transition in and out of the classroom and before and after meals.
4. Masks must always be worn in the building. Students may request "Mask Breaks" in a designated area physically distanced from other people.
5. Classrooms are set up to account for social distancing. Chairs are set at table ends, six feet apart. Students will be asked to remain in their seated areas.
6. Bathroom breaks will be scheduled to provide for students to go, wash their hands, and return, safely distanced from their peers.
7. No rugs, stuffed animals, or other fabric items will be allowed for group use. Students will not be sharing any materials. Books that are shared will be placed in a box for 72 hours before redistribution.
8. Students are expected to bring a backpack to house all their own material.
9. We have extra masks for students who forget to bring one or need a replacement throughout the day.

Lunch:

1. Lunches will be single item hot lunches (similar to Grab-and-Go). School lunches, for students who want a school lunch, will be delivered to the classroom. These lunches are free to all students. Lunch menus will be available on the district website.
2. Students will be eating at their desk in the classroom (6 feet apart).
3. Students will not be wearing masks when eating.
4. Students will be eating with their class only.
5. During their lunch, in the classroom, students will be monitored by para educators and/or support staff. This will be the classroom teachers' duty-free lunch break.
6. Staff will be required to wear masks and gloves during lunchtime.

Recess:

1. Classrooms will have a rotation of play areas where they will take recesses each day to keep classrooms separate.
2. Mask are recommended in the play area, but not required in the open air.

3. The three classrooms will rotate locations at recess each day. (i.e. one class in the gym with masks on, 2 classes outside in designated areas, so they play only with their class. The students can take their masks off, when outside, (if they wish) and wrap the mask around their wrist. They will be monitored by their teacher and reminded to stay at a safe 6-foot distance. Please send students to school prepared for inclement weather.
